Dr. Yanelis Calviño Vega, head of the Provincial Health Department, reported that Holguin province reported 1 new positive case, this time a 48 years old Cuban citizen, a contact of previously confirmed cases, resident of reparto 26 de Julio from Holguin municipality. The other 17 contacts go under epidemiological surveillance.

Thus, the province has confirmed 78 cases, 28 from the municipality of Gibara, 23 from Holguín, 18 from Banes, 4 from Báguanos, 2 from Mayarí, and one apiace from Rafael Freyre, Calixto García, Cacocum, Cueto and Moa. Some 245 patients are hospitalized, out of which 73 are positive of COVID-19. Likewise, no patient in serious or critical condition was reported.

Also, Yurián Ricardo Vega, the provincial director of Finance and Prices, explained that one of the fundamental tasks assigned to the institution in this difficult stage is detecting and confronting all illegalities, through the work of the working group for monitoring and controlling price regulations.

According to Ricardo Vega, so far 62 complaints have been received and processed, and 1350 fines have been imposed on the non-state sector for a total amount of 527,527 Cuban pesos, as well as 14 fines resulting from an inspection to the Acopio company and the Holguín Comprehensive Development Company. / Written by Gobierno Provincial .
