This is a space that can be of great use to you. You can publish advertisements referring to purchase, sale, rent, house exchanges, or any of the categories established in the Classified section. You can also offer or search for work. Remember that once the advertisement is not needed it must be removed.

Please note that redpinar only provides the means to publish advertisement, and is not responsible for external issues that may arise as a result of these publications.

You can also find information about community projects, courses, workshops, contests or other announcements that are offered to the population. In the Events you can consult a calendar that contains several cultural and sport events to happen in our territory.
